INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
South Dakota Urban Indian Health, Inc.
Pierre, South Dakota 57501

Report on the Financial Statements

We have audited the accompanying financial statements of **South Dakota Urban Indian Health, Inc. (a nonprofit organization)**, which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Dakota Urban Indian Health, Inc. as of September 30, 2018 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited South Dakota Urban Indian Health, Inc.'s 2017 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 23, 2018. In our opinion, the summarized comparative information presented herein as of and for, the year ended September 30, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 30, 2019, on our consideration of South Dakota Urban Indian Health, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of South Dakota Urban Indian Health, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Dakota Urban Indian Health, Inc.'s internal control over financial reporting and compliance.

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2018

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

South Dakota Urban Indian Health, Inc. (the Organization) is a private nonprofit corporation organized under the laws of the State of South Dakota to develop and administer programs that will improve the accessibility of health services to the Urban Indian Population in Hughes/Stanley and Minnehaha Counties of South Dakota. South Dakota Urban Indian Health, Inc. depends significantly on contracts with the United States Department of Health and Human Services to carry out its program activities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) No. 958, *Not-for-Profit Entities*. Under ASC No. 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2017, from which the summarized information was derived.

Economic Dependency

The Organization is dependent on third-party reimbursements, government grants and the economy of the local area.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. The most significant estimation utilized is revenue recognition. For more information, see those sections.

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2018

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Cash and Cash Equivalents

The Organization considers all cash accounts not subject to withdrawal restrictions or penalties, treasury bills, commercial paper and money market funds with a maturity of three months or less as cash and cash equivalents on the accompanying statement of financial position. Certificates of deposit, regardless of maturity, are not considered to be cash and cash equivalents.

Patient Accounts Receivable

Accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of accounts receivable, the Organization analyzes its past history and identifies trends for each of its major payer sources of revenue to estimate the appropriate allowance for uncollectible accounts and provision for uncollectible accounts. Management regularly reviews data about these major payer sources of revenue in evaluating the sufficiency of the allowance for uncollectible accounts.

For receivables associated with services provided to patients who have third-party coverage, the Organization analyzes contractually due amounts and provides a provision for uncollectible accounts, if necessary (for example, for expected uncollectible deductibles and copayments on accounts for which the third-party payer has not yet paid, or for payers who are known to be having financial difficulties that make the realization of amounts due unlikely).

For receivables associated with self-pay patients (which includes both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for part of the bill), the Organization records a provision for uncollectible accounts in the period of service on the basis of its past experience. The difference between the standard rates (or the discounted rates if negotiated or provided by policy) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for uncollectible accounts. Finance charges are not assessed on past due patient accounts receivable.

The Organization's contractual adjustments and bad debt expense totaled \$559,332 and \$48,300, respectively, for the year ended September 30, 2018.

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2018

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Property and Equipment

It is the Organization's policy to capitalize assets with a cost of \$5,000 or more and an estimated useful life of more than one year. Purchased property and equipment is recorded at cost. Contributions of property and equipment are valued at fair value at the time of donation. Improvements and betterments, which substantially increase the useful lives of existing property and equipment, are capitalized. Maintenance, repairs and minor renewals are expensed as incurred. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the respective accounts and profit or loss is credited or charged to revenue or expense.

Depreciation is computed using the straight-line method over the estimated useful lives of the individual assets which is between 5 and 15 years.

Compensated Absences

Paid time off (PTO) is accumulated by employees throughout the year. Employees are entitled to receive compensation for up to 80 hours of unused PTO upon termination if they have been employed for more than one year. Those amounts have been included in accrued payroll, taxes and withholdings on the financial statements.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the Organization is limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity. The Organization has no temporarily or permanently restricted net assets at September 30, 2018.

Changes in Net Assets

Changes in unrestricted net assets, consistent with industry practice, include unrealized gains and losses of investments other than trading securities, permanent transfers of assets to and from affiliates for other than goods and services, and contributions of long-lived assets (including assets acquired using contributions that by donor restrictions were to be used for the purpose of acquiring such assets.)

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2018

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Donor Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When donor stipulated time restrictions or purpose restrictions are met or accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the statement of activities.

Restricted and Unrestricted Revenue and Support

Federal grant awards received for specific purposes are recognized as support to the extent of related expenses incurred in compliance with the specific restrictions. The unexpended funds are reported as refundable advances on the statement of financial position. It is the policy of the Organization to record restricted grants whose restrictions are met in the same reporting period as unrestricted grants.

Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required.

Fund Raising Activity

The Organization does not maintain a formal fundraising or solicitation department. The Executive Director does compile data and applications necessary to renew and obtain program revenues. The Organization does not track costs associated with this activity, but believes the time and cost for this activity represents a very small percentage of the Executive Director's time. Accordingly, fundraising expense is not segregated and present in the financial statements unless specially required by and reported under grantor guidelines.

Expense Allocation

Directly identifiable expenses are charged to program activities and supporting services. General and administrative expenses include those expenses that are not directly identifiable with any other specific function, but provide for the overall support and direction of the Organization.

Advertising

Advertising costs are expensed as incurred.

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2018

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Income Taxes

The Organization is a non-profit organization and is not subject to income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to its tax-exempt purpose is subject to taxation as unrelated business income.

2. CONCENTRATION OF CREDIT RISK

The Organization grants credit without collateral to its patients, most of who are local residents and are insured under third-party payer agreements. The mix of receivables from patients and third-party payers at September 30, 2018 is as follows:

Medicare	28%
Medicaid	7%
Commercial	38%
Self-Pay	<u>27%</u>
	<u>100%</u>

3. OTHER CREDIT RISK

The Organization maintains cash balances at two financial institutions located in South Dakota. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2018, cash balances are fully insured.

4. NET PATIENT SERVICE REVENUE

The Organization recognizes patient service revenue associated with services provided to patients who have third-party payor coverage based on contractual rates for the services rendered. For uninsured patients that do not qualify for the sliding fee program, the Organization recognizes revenue based on its standard rates for services provided. Based on historical experience, a portion of the Organization's uninsured patients do not qualify for the sliding fee program will be unable or unwilling to pay for the services provided.

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2018

4. NET PATIENT SERVICE REVENUE, continued

Thus, the Organization recorded a significant provision for uncollectible accounts related to uninsured patients who do not qualify for the sliding fee program in the period the services are provided. This provision for uncollectible accounts is presented on the statement of activities as a component of net patient service revenue.

The Organization is approved as a Federally Qualified Health Center (FQHC) for both Medicare and Medicaid reimbursement purposes. The Organization has agreements with third-party payors that provide for payments to the Organization at amounts different from its established rates. These payment arrangements include:

Medicare – Covered FQHC services rendered to Medicare program beneficiaries are paid based on a cost reimbursement methodology. The Organization is reimbursed for cost reimbursable items at a tentative rate with final settlement determined after submission of an annual cost report by the Organization and audit thereof by the Medicare fiscal intermediary. The Organization’s Medicare cost reports have been audited by the Medicare fiscal intermediary through September 30, 2017. Services not covered under the FQHC benefit are paid based on established fee schedules.

Medicaid – Covered FQHC services rendered to Medicaid program beneficiaries are paid based on a cost reimbursement methodology. The Organization is reimbursed for cost reimbursable items at a tentative rate with final settlement determined after submission of an annual cost report by the Organization and audit thereof by the Medicaid fiscal intermediary.

Laws and regulations governing Medicare and Medicaid are complex and subject to interpretation and change. As a result, it is reasonably possible that recorded estimates will change materially in the near term.

The Organization has also entered into payment agreements with certain commercial insurance carriers. The basis for payment to the Organization under these agreements includes prospectively determined rates and discounts from established charges.

Net patient service revenue by payer is approximately:

Medicare	19%
Medicaid	22%
Commercial	33%
Self-Pay	<u>26%</u>
	<u>100%</u>

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

**NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2018**

5. RETIREMENT PLAN

The Organization has established a defined contribution retirement plan covering employees who work an average of 20 hours or more per week. After a 90 day probationary period, the Organization matches employee contributions up to 3% of an employee's salary. Retirement plan expense for the year ended September 30, 2018 is \$32,233.

6. ADVERTISING

The Organization incurred advertising costs of \$3,621 for the year ended September 30, 2018.

7. OPERATING LEASES

The Organization's clinic and administrative office located in Pierre, South Dakota is under a ten year operating lease expiring on December 31, 2028. The base monthly rent of \$9,485 does not include utilities. The clinic and administrative office in Sioux Falls is under a ten year operating lease expiring July 31, 2019. The base monthly rent of \$11,984 includes utilities. The lease provides for increasing base monthly rental payments throughout the term of the lease. The Organization negotiated a ten year operating lease on a new clinic and administration office location beginning on September 1, 2019. The base monthly rent under the new agreement is \$12,895, which does not include utilities. The lease provides for increasing base monthly rental payments throughout the term of the lease.

Future minimum lease payments are as follows:

2019	\$ 253,115
2020	268,560
2021	268,560
2022	268,560
2023	268,560
Thereafter	<u>1,594,520</u>
	<u>\$ 2,921,875</u>

Rent expense for the clinic facilities and office space was \$266,150 for the year ended September 30, 2018.

SOUTH DAKOTA URBAN INDIAN HEALTH, INC.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2018

8. MALPRACTICE INSURANCE

The Organization contracts with medical providers to serve its clinic locations. Contracted medical providers are required to obtain their own malpractice insurance to cover potential damages for personal injury, including death, resulting from the performance of medical, surgical, and related functions.

Based upon the Organization's claims experience, no accrual has been made for medical malpractice costs for the year ended September 30, 2018. However, because of the risk in providing health care services, it is possible that an event has occurred which will be the basis for a future material claim.

9. PRIOR PERIOD ADJUSTMENT

The Organization has determined the allowance for doubtful accounts was overstated in previous years. To properly reflect the allowance, beginning unrestricted net assets at October 1, 2017 were increased by \$46,206. The summarized comparative information presented for the year ended September 30, 2017 presents the proper allowance amount and reflects an increase in of \$43,764 in the change in net assets previously reported.

The Organization converted their books of record from the cash basis of accounting to the accrual basis of accounting during the year ended September 30, 2016. During the year ended September 30, 2017, it was determined some of the amounts reported in the previous year were incorrect. As a result, the beginning unrestricted net assets at October 1, 2016 were decreased by \$31,572.

10. SUBSEQUENT EVENTS

Events occurring after September 30, 2018 were evaluated by management on January 30, 2019, the date which the financial statements were available to be issued, to ensure that any subsequent events that met the criteria for recognition and/or disclosure in these financial statements have been included. There are no significant subsequent events needing disclosure.

Total Federal Funding			<u>\$ 2,198,225</u>

Note 1: The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Organization under programs of the federal government for the year ended September 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, change in net assets, or cash flows of the Organization.

Note 2: Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3: Federal reimbursements are not based upon specific expenditures. Therefore, the amounts reported here represent cash received rather than federal expenditures.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
South Dakota Urban Indian Health, Inc.
Pierre, South Dakota 57501

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statements of South Dakota Urban Indian Health, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 30, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered South Dakota Urban Indian Health, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the South Dakota Urban Indian Health, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of South Dakota Urban Indian Health, Inc.'s internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the South Dakota Urban Indian Health, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of South Dakota Urban Indian Health, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Dakota Urban Indian Health, Inc.'s internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
South Dakota Urban Indian Health, Inc.
Pierre, South Dakota 57501

Report on Compliance for Each Major Federal Program

We have audited South Dakota Urban Indian Health, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on South Dakota Urban Indian Health, Inc.'s major federal programs for the year ended September 30, 2018. South Dakota Urban Indian Health, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of South Dakota Urban Indian Health, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about South Dakota Urban Indian Health, Inc.'s compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of South Dakota Urban Indian Health, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, South Dakota Urban Indian Health, Inc. complied in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2018.

Report on Internal Control Over Compliance

Management of South Dakota Urban Indian Health, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered South Dakota Urban Indian Health, Inc.'s internal control over compliance with the types requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of South Dakota Urban Indian Health, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose describe in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purposes of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
