

Nurse Practitioner/Physician Assistant

Supervised by:	Chief Medical Officer
Location:	Sioux Falls, SD
Status:	Full Time
Salary:	Base in experience

SDUIH Overview:

The South Dakota Urban Indian Health, Inc. (SDUIH) is a non-profit corporation that consists of two full-time primary care clinics. SDUIH is a comprehensive patient-focused health care organization. SDUIH corporate headquarters is located in Pierre and the agency reports to the Indian Health Service (IHS) in Aberdeen.

When you join our team at SDUIH, you're joining our Tiwahe (family). We believe that through equitable pay, flexibility, and centering employee wellness, we're creating systemic change that benefits everyone, especially our patients. Working with our medical, behavioral health, and cultural health teams, you'll improve the health and wellness of our patients and positively impact the health of our community. SDUIH is celebrating 45 years of care to our Native American Community.

Position Summary:

As a Nurse Practitioner, or Physician Assistant you work as part of an integrated health care team with a supervising Physician and Behavioral Health Providers. You will utilize appropriate and effective patient care plans; interpret and integrate data to determine the appropriate diagnostic, therapeutic plan utilizing principles of health promotion and disease prevention.

Our medical providers develop and implement treatment plans for their patients which may include providing appropriate referrals for consultations. Within the scope of the supervising physician's written delegated prescriptive authority, you provide prescriptions for medications to accomplish the treatment plan.

Providing patient-focused care, you always take the time to instruct and counsel with patients and their families about their treatment plan. You are also conscientious about completing appropriate documentation of all evaluations, care, and services rendered. Our medical providers develop a caring professional relationship with our patients and their families, providing education and assistance to promote better patient self-care.

Duties and Responsibilities:
